# THE MEMORIES AREN'T ALL THAT STAY WITH YOU.

Your time on the water is sacred. You return, season after season to make long-lasting family memories, reconnect with friends, remember what's important and re-center yourself. If you count on having this time, you need an outboard you can count on to power it. **That's why boaters choose Yamaha for the long run. For life. Because reliability starts here.**

Reliability Starts Here.™

REMEMBER to always observe all applicable boating laws. Never drink and drive. Dress properly with a USCG-approved personal flotation device and protective gear.
